

Day Program July News

Welcome to the InClusion Services Day Program Newsletter!
Please take a few minutes to read what we accomplished this month.
Enjoy!

Luau!

Consumers participated in a Luau event where they were able to dress for the occasion in floral print and Hawaiian leis. Craft activities were held inside and water relay games outside.

The consumers had an awesome day!

Basic Cooking!

Richard did a great in the activity of making ice cream. He was able to follow directions and freeze the popsicle mix formed by him and his Instructor.

Great job, Richard!

Laundry Time

Consumers had the opportunity to integrate community skills and personal hygiene by learning to determine proper change for the washer and dryer. They participated in color separation, washing and folding. In this picture we see Mark drying the Day Program cleaning cloths.

Neon Party!

The Neon Party was a success! Consumers hand painted T-shirts and decorated them with lots of colorful gadgets. Throughout the event, consumers socialized and participated in Karaoke. Below is a group image on Neon Day!

4th of July Celebration

For the 4th of July, also known as Independence Day, the consumers celebrated by making 4th of July crafts. Participants enjoyed painting and making flags out of popsicle sticks. They ended the day with making

beautiful red, white and blue crowns.

Congratulations to our award winners for the month of July
