

Day Program August News

Welcome to the InClusion Services Day Program Newsletter!
Please take a few minutes to read what we accomplished this month.
Enjoy!

Super Hero Dance!

On Friday, August 18th, Day Program participants attended the "Superhero Dance" at Pico Park. With staff assistance, participants made personal capes and masks. Watch out Avengers! We have new heroes in town!

Fire Drill!

On August 16th, ICS Day Program consumers had a practice Fire Drill. They successfully exited the building calmly and carefully. All consumers listened well to procedural instructions.

Good job everyone!

Welcome to Inclusion Services Day Program!

This month, ICS Day Program received three new consumers. Letty, Monique and Lupita are integrating well and socializing with peers. They are continually learning how to navigate the site and explore activities within their groups.

Welcome to ICS Day Program ladies!

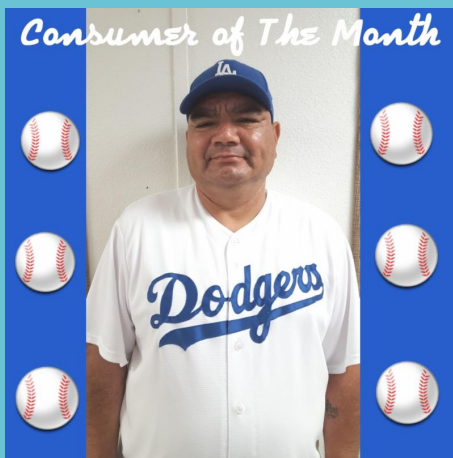

Solar Eclipse!

On Monday August 21st, a Solar Eclipse darkened the skies from Oregon to South Carolina.

Consumers were able to experience it from the live broadcasts that was presented by NASA. In the picture we see the consumers engaged in the broadcast. In addition, consumer Edgar loved the Solar Eclipse and decided to draw an image.

Good job Edgar!

Consumer of the Month Mark Dschamgarian

Every month a consumer is recognized for their hard work, high attendance and compliance to instruction. In August, Mark D. was rewarded Consumer of the Month for his dedication to all tasks, willingness to participate and great interaction with peers.

Congratulations Mark!

**Congratulations to our award winners
for the month of August!**

Tekoa Sanders

Safety Employee
of the Month

Jessica Corona

Employee
of the Month

August Birthday Spotlight!

“Your birthday is a time for celebrating
what makes you one-of-a-kind.
You’re truly a rare find!”
