

Day Program June News

Welcome to the InClusion Services Day Program Newsletter!
Please take a few minutes to read what we accomplished this month.
Enjoy!

Baseball Time!

Consumers had an incredible day at the park with our Dodger themed celebration and friendly game of baseball. All consumers participated in the active yet modified activity.

Awesome participation everyone!

Happy Father's Day!

Father's Day was very special at the ICS Day Program. Consumers painted and included personal images of themselves inside their custom made picture frame. They showed lots of enthusiasm with their finished product!

Rabbit Rescue

Consumers attended our local rabbit rescue site to support rabbits in need. Consumers had an awesome time working hard and separating the oat, wheat and barley hay stacks into 8lb bushels. The rabbits will surely benefit from all the hay the consumers condensed for them.

Great work Hector and Mark!

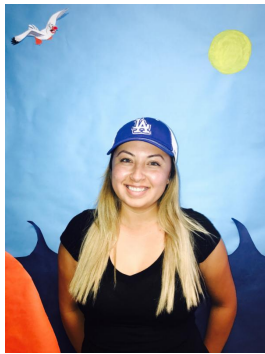

Spring Dancing!

Consumers participated in the Mardi Gras Dance at Pico Park this month. Everyone received beads and were able to take pictures in the photo booth. They enjoyed socializing with one another and meeting new friends at the event.

Congratulations to our award winners for the month of June
