

Day Program September News

Welcome to the InClusion Services Day Program Newsletter!
Please take a few minutes to read what we accomplished this month.
Enjoy!

Fire Truck Tour

Consumers were given the opportunity to explore a fire truck with our local Fire Department. They were able to sit inside the truck and view all the difference equipment that firemen use. They were also able to hold the water hose while the water was running! WOW.

In this picture you see Jamie Vukojevich, Manuel De Villar and Kevin Diep with our local firemen.

Good job, guys!

Slime Time!

The Adult Day Program participants were able to enjoy a hands on activity by creating their own slime. Participants were able to learn about measuring and then engaged with the slime once formed.

Good job everyone!

Welcome to Inclusion Services Day Program!

This month, ICS Day Program received two new consumers. Nancy and Celine are integrating well and socializing with peers. They are continually learning how to navigate the site and explore activities within their groups.

Welcome to ICS Day Program ladies!

Ameoba Music

Consumers rocked out at Ameoba Music Shop in Hollywood, CA. They browsed through a selection of music and enjoyed tunes they selected throughout the day.

Pictured here is Manuel Salcedo holding a classic album.

Way to discover music history everyone!

Shakey's Time

Consumers were all excited to explore the Shakey's restaurant. They used monetary skills at the register and had the opportunity to order their food from the menu.

Enjoying great food while learning!
Great job!

Fall is Here!

Consumers participated in a activity in which they had the opportunity to review each season and create a fun art project to represent the fall season.

In the picture you see Abel Flores, Alma Rosas and Juan Lopez.

Good job, everyone!

Creating Stress Balls

In September, consumers had the opportunity to create stress balls using water bottles, beads, and balloons. Consumers truly enjoyed the end product.

Who knew creating stress balls would be so fun!

Consumer of the Month

Dantell W.

Every month a consumer is recognized for their hard work, high attendance and compliance to instruction. In September, Dantell W. was awarded Consumer of the Month for his dedication to all tasks, willingness to participate and great interaction with peers.

Congratulations Dantell!

**Congratulations to our award winners
for the month of August!**

Sarah Lopez

Safety Employee
of the Month

Omar Pena

Employee
of the Month
