A Better Life!

Having a healthy lifestyle is very important. Here at Day Program we strongly support making healthy choices by educating our consumers the best way possible. Here we see one our client Lupita making a healthy choice during programming.

St. Patrick's Day

Consumers learned about St. Patrick's Day, daylight savings and the first day of spring. The consumers decorated the site with Shamrocks and spring flowers. We all had a great time leaning and decorating the site.

Spring Cleaning!

For the month of March participants learned about the benefits of Spring Cleaning. We all contributed by wiping down counters and chairs, dust the books, windows, and mop the floors.

Great teamwork!!

Safety First!

Safety is important at all times. This picture was taking during roll call after a mock Earthquake drill. Participants and staff all did an amazing job!

Volleyball Tournament

On a rainy day in, consumers participated in a indoor volleyball tournament. We used inflatable equipment and applied safety rules to the game. All clients were able to participate in this fun tournament.
